MANAGEMENT RESOLUTIONS APPOINTED RECEIVERSHIPS

Eagan, MN, September 23, 2009 --- Management Resolutions, a division of JBL Companies, has been court-appointed to manage, lease and operate the following properties:

- A 70,000 square foot Train America athletic training facility located in Lakeville, Minnesota
- A 17-unit Hestia Homes apartment complex in St. Paul, Minnesota
- A 15-unit apartment complex in Minneapolis, Minnesota
- Two Class A office condominiums located in Savage, Minnesota

After 18 successful years in the commercial real estate and business consulting industry, JBL Companies spun out a new specialty division; Management Resolutions, LLC. MR is an entity solely dedicated to receiverships, turnaround businesses and loan workouts.

JBL Companies has been handling receiverships since 1991. JBL/MR together have handled over 100 receiverships to date. Unlike other newly formed entities, the JBL/MR team also has expertise in a variety of industries other than real estate. Some of these receiverships include motels, single family housing, fixed based air operation, convenience stores, fast food restaurants, car wash, high rise condominiums, apartments, senior housing, manufacturing and numerous multi-tenant office and industrial properties. For more information on Management Resolutions, visit www.managementresolutions.com.

Founded in 1991, Eagan-based JBL Companies Inc. offers comprehensive commercial real estate services in the areas of development, sales and leasing, property management, receiverships and building maintenance. The company specializes in office, industrial, medical and specialty real property assets. For more, please contact Jeffrey B. Larson at 651-686-0212.
